**HOT CAR
FATALITIES ARE
PREVENTABLE**

**LEARN MORE:
[ALDF.ORG/
HOTCARS](http://ALDF.ORG/HOTCARS)**

DID YOU KNOW: Dozens of dogs die every summer after being left in a parked car “for just a few minutes.” Cracking windows does nothing to alter a car’s internal temperature. Many states allow concerned citizens (Good Samaritans) to break a car window to save an animal. If you see an animal inside a hot car, call 911.
