

Student Summit: Discussion Questions

1. How is your chapter faring under COVID-related restrictions?
 - a. What events or projects did your chapter do last year that were successful, and how can these be adapted to a virtual environment?
2. What was your chapter's biggest challenge? How did you overcome it (if you did)?
3. Has your chapter co-sponsored events with any other student organizations at your school?
 - a. If so, what was the topic, and do you think it was successful?
4. What was your chapters greatest accomplishment/project or most successful event?
 - a. What steps did you take to ensure the event or project was successful?
5. What do you think is one of the biggest trends/promising areas in animal law right now?
6. What are your favorite speakers or films your chapter has screened?
7. Do you have any advice for other chapters? Any questions for other chapters?
